Ann Brode, Brode Consulting Services, Inc.

May 10 • 3:00 - 4:30 PM

The Agencies have announced the final ruling on Section 311 of the FACT Act involving risk-based pricing. Your bank must have guidelines, be in compliance with new standards and disclosures, and you will be **required** to have a written policy! These final rules will be effective [January 1, 2011](#).

The participant manual for this webinar will be written in “policy language” developed from the final regulations. It will be provided in MS Word so it can be easily edited into a viable policy for your bank. You will also receive sample disclosures and other tools to assist you in complying with the new regulations.
