

COMMUNITY BANKER ALERT

TO: All PACB Members

FROM: Frank A. Pinto, President/CEO

SUBJECT: Survey of Legislators Serving on Community Bank Boards

DATE: January 12, 2005

Last year, PACB started to honor and recognize our friends in the General Assembly who not only support community banking but also help to advance our cause. We instituted the “Distinguished Service Award” recognizing the four chairmen of the key Senate and House Committees of the General Assembly hosting the chairmen at a board meeting in Harrisburg.

This year, we hope to recognize the corps of legislators who serve in the General Assembly and also serve on community bank boards. We are familiar with a number of these legislators but want to be sure we miss no one.

Therefore, we really need your help in identifying this group. If you have a legislator serving on your board, please fax us back with the response below. This group of legislators understands our industry and should not only be recognized for their service by PACB, but can be of tremendous help to us in the future.

If you have any questions, please do not hesitate to contact Dave Transue of our staff. Thanks so much for your help with this important task.

Fax back to PACB at 717-231-7445
