PACB Banker of the Year Award Application

The PACB INSPIRE Awards are designed to recognize the incredible and varied ways that community banks breathe life into the neighborhoods they serve. Award winners are those organizations which INSPIRE others in the community to undertake a leadership role in making their local communities a better place.

As part of our recognition, PACB seeks to honor that individual community banker who has played a pivotal role over the years in supporting their bank organization, as well as contributing to the growth and success of area schools and organizations, and being engaged with the business and economic development of their region.

PACB's "Banker of the Year" Award represents that bank leader who works hard every day to help their local entrepreneurs and community leaders build vibrant communities where families live, work and play.

Nominee name and title:

Please describe the accomplishments of the nominee over the past 12 months. Limit 300 words.

Please describe what sets these accomplishments apart compared to their peers. Limit 500 words.

Length of tenure in current role:

Special recognition or awards within the last 10 years. (If any)
