Lifetime Achievement Award Application

Presented to individuals who have dedicated their working careers to supporting their bank and their community

The PACB INSPIRE Awards are designed to recognize the incredible and varied ways that community banks and their leaders breathe life into the neighborhoods they serve. A large part of that honor is recognizing those individuals who, in their professional career, have inspired others in the community to undertake a leadership role.

Recipients range from the C-suite and can encompass all community bankers including retired community bankers who were leaders at all levels. The first part of this application asks an individual to list their name and contact information, along with their length of tenure/service. (Please note, PACB requests that this award nomination be submitted by individuals who have worked for 20 or more years in the community banking marketplace).

Award Criteria: 1. Must not be eligible for PACB Hall of Fame induction. 2. Must be an employee of a PACB member bank, in good standing. 3. Must be nominated by a direct supervisor or member of the bank's C-suite. 4. Must be retired or scheduled to retire, by December 31, 2023. 5. Must be approved by the PACB Executive Committee

Nominee Name:

How long has the nominee worked at the given financial institution or at a community bank?

How has the nominee demonstrated commitment to their bank or their community? Limit 300 words.

Please save and return completed form to Mary@pacb.org by close of business Friday, April 14, 2023.
